To the Board of Directors of Emaar India Limited (formerly known as Emaar MGF Land Limited)

Qualified Opinion

1. We have audited the accompanying annual financial results ('the Statement') of Emaar India Limited (formerly known as Emaar MGF Land Limited) ('the Company') for the year ended 31 March 2021, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the Listing Regulations'), including relevant circulars issued by SEBI from time to time.
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - i. presents financial results in accordance with the requirements of Regulation 52 of the Listing Regulations, except for the possible effects of the matter described in paragraph 3 below; and
 - ii. gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder, and other accounting principles generally accepted in India, of the net loss after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2021, except for the possible effects of the matter described in paragraph 3 below.

Basis for Qualified Opinion

3. As described in Note 3 to the accompanying Statement which describes the petition filed by Emaar Holding II, shareholder and promoter of the Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to National Company Law Tribunal to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying Statement is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying Statement. Our opinion on the accompanying Statement for the year ended 31 March 2020 was also qualified in respect of this matter.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Statement' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

5. We draw attention to the following notes in the accompanying Statement:
 - i. Note 4 in relation to investment made in and advances given to one of the subsidiary company, Emaar MGF Construction Private Limited, aggregating Rs. 362.78 million and Rs. 1,431.61 million respectively as at 31 March 2021. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the final outcome of which is presently unascertainable.
 - ii. Note 5 which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation ('APIIC') and other parties alleging certain irregularities relating to a project in Hyderabad. The Company has outstanding assets and liabilities of Rs. 4,125.92 million and Rs. 2,235.43 million respectively with respect to this project as at 31 March 2021. The final outcome of these litigations is presently unascertainable.
 - iii. Note 6, which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the same on the standalone financial results of the Company as at the balance sheet date. In view of these uncertainties, the impact on the Company's operations is significantly dependent on future developments.

Our opinion is not modified in respect of these matters.

Responsibilities of Management's and Those Charged with Governance for the Statement

6. This Statement has been prepared on the basis of the annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Independent Auditor's Report on Annual Financial Results of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (cont'd)

7. In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
10. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place, adequate internal financial controls over financial reporting and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
 - Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

 - c. Pursuant to the scheme of arrangement between the Company, MGF Developments Limited ('the resulting company') and their respective shareholders and creditors which has been approved by the National Company Law Tribunal (NCLT) vide its order dated 16 July 2018, 30.79% of the face value of Rs. 1,000,000 of each debenture has been demerged and transferred to the resulting company. The above-mentioned face value of Rs. 1,000,000 was before demerger.
- 3) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to NCLT to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are currently sub-judice, any impact of the same on the financial results is not ascertainable at this stage. The auditors have expressed qualification on the same.
- 4) One of the subsidiaries of the Company, Emaar MGF Construction Private Limited (the "Subsidiary") is undergoing certain litigations/disputes in relation to the Commonwealth Games Village Project, 2010 developed by it whereby the Company has obtained legal advice and expects favorable outcomes. The Company has investments in the equity share capital of the said Subsidiary aggregating to Rs. 362.78 million (31 March 2020 - Rs. 362.78 million) and has advances recoverable aggregating to Rs. 1,431.61 million (31 March 2020 - Rs. 1,420.23 million) from the Subsidiary. The Company has also given commitment to the Subsidiary for support in case of unfavorable outcome in respect of any of the litigations/disputes. The auditors have expressed an emphasis of matter on the same.

- 5) The Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited (“EHTPL”), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited (“BHLPL”), had undertaken the development and operation of a ‘Golf Course’ in Hyderabad. The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Company, its former Managing Director and certain officers of the Company. Under the said matter, the Company has also received an attachment order of its certain properties from Enforcement Directorate. The Company has assets and liabilities of Rs. 4,125.92 million (31 March 2020 - Rs. 4,100.68 million) and Rs. 2,235.43 million (31 March 2020 - Rs. 3,145.19 million) respectively. The ongoing second wave of pandemic will have its own impact, but the Company is confident of encashing on the forthcoming opportunities, once the economies, businesses and lives are back to normal. Considering the unprecedented and ever evolving situation, the Company has made assessment of its liquidity position, including recoverability of assets at balance sheet date. On the basis of the current assessment and estimates, the Company does not see risk of recoverability of its assets and accordingly no material adjustment is required in these financial results. However, given the uncertainties associated with nature, condition and duration of Covid-19 pandemic, the impact may be different from that as estimated as at the date of approval of these financial results and the management will continue to closely monitor the changes to future economic conditions. The auditors have expressed an emphasis of matter on the same.
- 7) As at 31 March 2021, the Company has long-term borrowings of Rs. 7,017.62 million which are due for repayment in the next one year. As per the present business plans, the Company will be able to meet its financial obligations in the next one year. As at 31 March 2021, while the Company’s net worth is negative (primarily due to Demerger happened in the financial year 2018-19), the management has considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these financial results have been prepared on a going concern basis.
- 8) The National Company Law Tribunal (‘NCLT’) vide its order dated 16 July 2018 had approved the scheme of arrangement (‘Demerger’) between the Company and MGF Developments Limited (‘MGF’) and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain (‘Mediator’), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce (‘ICC’), London, as referred in Note 9 below. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.

- 9) The Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shравan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land-owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, the Company has enforced some of such indemnity claims as per details given below:

Date	Nature	Value of assets enforced (Rs. Million)
17 September 2019	By way of termination of development rights over certain land parcels	2,250.04
26 May 2020	By way of termination of development rights over certain land parcels	1,375.06
7 September 2020	By way of adjustment of amounts payable	1,103.36
11 November 2020	By way of termination of development rights over certain land parcels	720.08

During the previous year, MGF has disputed indemnity claims/enforcement and filed the Request for Arbitration ('RFA') on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, also requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal has been constituted with the Company and MGF each nominating their arbitrators and both these arbitrators have appointed a third arbitrator who is acting as president for such arbitration proceedings seated in London.

On 21 April 2020, MGF also filed an Application for Temporary Restraining Order & Interim Measures ('TRO') before the Arbitral Tribunal against the Company's unilateral settlement of indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal dismissed MGF's TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so, in case of breach of said indemnity agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims, but also confirmed that there should be no restraint on alienation of the development rights in those assets.

Thereafter, under the ongoing arbitration proceedings, in September 2020 MGF had filed its statement of claims before the Arbitral Tribunal and the Company has also filed its statement of defence and counterclaims in January 2021. The matters are currently sub-judice before the Arbitral Tribunal.

- 10) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed off bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ('Code'). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance and thereafter the notification of Insolvency and Bankruptcy Code (Amendment) Act, 2020, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Hon'ble Supreme Court had, in the matter titled 'Manish Kumar V. Union of India & Anr.' and other tagged matters vide its judgment dated 19 January 2021, upheld the constitutional validity of Insolvency and Bankruptcy Code (Amendment) Act, 2020. As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code, however, now the homebuyers must meet the minimum thresholds. Based on the judgment of the Hon'ble Supreme Court, all the matters pending at NCLT, which does not meet requirements of the Code have been adjourned sine die. Based on the developments and legal advice, management is confident that no material liability will devolve in respect of Company matters pending before NCLT.

11) Exceptional items for the year include:

- a) Pursuant to indemnity agreements (as explained in note 9 above) signed between the Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties, the Company has recognised Rs. 1,963.80 million (31 March 2020 - Rs. 4,307.30 million) as claim income from MGF in these financial results, which has been disclosed as an exceptional item.
 - b) During the year, the Company had reassessed the recoverability of certain land parcels held by two of its subsidiary companies, in the economic environment, based on best estimates as per external or internal available information. Accordingly, impairment loss of Rs. 922.78 million was recognized in these financial results, which has disclosed as an exceptional item.
- 12) On 24 June 2020, the Company's offices in New Delhi and Gurgaon were subjected to search and seizure operations conducted by the Enforcement Directorate under Section 17 in the Prevention of Money Laundering Act, 2002. During the search, the Enforcement Directorate took custody of certain documents/records of the Company and some of its subsidiaries. While Enforcement Directorate searched the offices of the Company, we understand that investigations are against MGF Group/Mr. Shravan Gupta, the former Managing Director of the Company. Mr. Shravan Gupta is no longer associated with the management or Board of the Company. Subsequently, the Enforcement Directorate has filed an application before the Adjudicating Authority, Prevention of Money Laundering, Delhi for retention of the seized documents, which has been allowed. The show cause notice issued to the Company has also been replied. As these proceedings are directed against MGF Group and the former managing director of the Company, the Company does not consider this matter to be material.
- 13) During the year, National Anti-Profiteering Authority ('NAA') passed orders alleging that the Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Company has already passed benefit of Rs. 75.11 million and Rs. 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however the fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Company. The Company has filed a writ petition against the said order before the Hon'ble High Court of Delhi and is hopeful of a favorable outcome based on the legal advice.
- 14) During the year, the Board of Directors of the Company had approved right issue of 130,324,485 equity shares of Rs. 10 each at a premium of Rs. 1 per share, for an amount aggregating to Rs. 1,433,569,335 to the existing equity shareholders of the Company, in the proportion of 1 equity share for every 1 equity share held by them. Pursuant to the same, the Company has allotted 39,062,500 equity shares of Rs. 10 per share at a premium of Rs. 1 per share for an amount aggregating to Rs. 429,687,500.
- 15) The figures for the half year ended 31 March 2021 and 31 March 2020 are the balancing figures between audited figures in respect of full financial year ended 31 March 2021 and 31 March 2020 respectively and the unaudited published year to date figures up to 30 September 2020 and 30 September 2019 respectively, being the end of the first half year of the respective financial years, which were subjected to a Limited Review.
- 16) The financial results are prepared in accordance with the recognition and measurement principles of Indian Accounting Standards as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified in Section 133 of the Companies Act, 2013.

17) Previous period/year numbers have been regrouped/reclassified wherever considered necessary.
