Auditor's Responsibilities for the Audit of the Statement

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
 - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting
 and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
 conditions that may cast significant doubt on the Company's ability to continue as a going concern. If
 we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report
 to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion.
 Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
 However, future events or conditions may cause the Company to cease to continue as a going concern;
 and
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 1. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- c. The Company is maintaining security cover of more than one hundred percent in respect of these NCDs.
- d. The above-mentioned face value of Rs. 1,000,000 was before demerger. Pursuant to the scheme of arrangement (demerger) between the Company, MGF Developments Limited (MGF) and their respective shareholders and creditors which has been approved by the National Company Law Tribunal (NCLT) vide its order dated 16 July 2018, 30.79% of the face value of Rs. 1,000,000 of each debenture (i.e., Rs 307,876 per debenture) has been demerged and transferred to MGF Developments Limited ("MGF NCDs"). Accordingly, the face value of debentures with Emaar India Limited was reduced to Rs. 692,124 per debenture ("Emaar NCDs").
- e. Subsequent to the year end, on 10 May 2022, the Company has repaid the outstanding principal, interest and redemption premium on Emaar NCDs and liabilities towards such face value of NCDs stands repaid. MGF NCDs are still outstanding to be repaid.
- f. CARE Ratings Limited vide its letter dated 19 May 2022 has informed that since Emaar India Limited has repaid the Emaar NCDs and balance MGF NCDs were already transferred to MGF Developments Limited pursuant to the demerger scheme approved by NCLT, the rating for aforesaid debentures stands withdrawn, with immediate effect.
- 5) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to NCLT to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are currently sub-judice, any impact of the same on the standalone financial results is not ascertainable at this stage. The auditors have expressed qualification on the same.
- 6) One of the subsidiaries of the Company, Emaar MGF Construction Private Limited (the "Subsidiary") is undergoing certain litigations/disputes in relation to the Commonwealth Games Village Project 2010, developed by it whereby the Company has obtained legal advice and expects favorable outcomes. The Company has investments in the equity share capital of the said Subsidiary aggregating to Rs. 362.78 million (31 March 2021 Rs. 362.78 million) and has advances recoverable aggregating to Rs. 788.50 million (31 March 2021 Rs. 1,431.61 million) from the Subsidiary. The Company has also given commitment to the Subsidiary for support in case of unfavorable outcome in respect of any of the litigations/disputes. The auditors have expressed an emphasis of matter on the same.

- 7) The Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Company, its former Managing Director and certain officers of the Company. Under the said matter, the Company has also received an attachment order of its certain properties from Enforcement Directorate. The Company has assets and liabilities of Rs. 4,280.48 million (31 March 2021 - Rs. 4,125.92 million) and Rs. 1,434.96 million (31 March 2021 - Rs. 2,235.43 million) respectively. The matters mentioned herein are pending with judicial authorities at various levels. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position. The auditors have expressed an emphasis of matter on the same.
- 8) The Covid-19 pandemic has severely impacted the businesses and economic activities around the world including India. Due to restrictions announced by the Government in certain areas, the Company's operations were impacted. While the business operations have resumed, the recent rising cases of Omicron variant of Covid-19 in India and various states imposing COVID-related restrictions, business activity may get impacted and expected to return to normalcy in due course of time. Considering the unprecedented and ever evolving situation, the Company has made assessment of its liquidity position, including recoverability of assets at balance sheet date. On the basis of the current assessment and estimates, the Company does not see risk of recoverability of its assets and accordingly no material adjustment is required in these standalone financial results. However, given the uncertainties associated with nature, condition and duration of Covid-19 pandemic, the impact may be different from that as estimated as at the date of approval of these standalone financial results and the management will continue to closely monitor the changes to future economic conditions. The auditors have expressed an emphasis of matter on the same.
- 9) As at 31 March 2022, the Company has long-term borrowings (including debentures) of Rs. 22,641.77 million which are due for repayment in the next one year. However, on 10 May 2022, Rs. 17,513.45 million has already been repaid towards outstanding non-convertible debentures (refer note 4 above). Given the operating performance of the Company in the current year and basis the business plans (including a substantial repayment of non-convertible debentures subsequent to the year- end), the Company will be able to meet its financial obligations in the next one year. The management has also considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these standalone financial results have been prepared on a going concern basis.
- 10) The National Company Law Tribunal ('NCLT') vide its order dated 16 July 2018 had approved the scheme of arrangement ('Demerger') between the Company and MGF Developments Limited ('MGF') and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ('Mediator'), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce ('ICC'), London, as referred in Note 11 below. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.
- 11) The Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies increase of certain expenses/losses incurred by the

ndia New Delhi

Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land-owning subsidiaries may unilaterally settle such claims by, interalia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, the Company has enforced some of such indemnity claims.

During the previous years, MGF had disputed indemnity claims/enforcement and filed the Request for Arbitration ('RFA') on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, also requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal was constituted and on 21 April 2020, MGF also filed an Application for Temporary Restraining Order & Interim Measures ('TRO') before the Arbitral Tribunal against the Company's unilateral settlement of various indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal dismissed MGFs TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so, in case of breach of said indemnity agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims, but also confirmed that there should be no restraint on alienation of the development rights in those assets. Thereafter, under the ongoing arbitration proceedings, the matters are currently sub-judice before the Arbitral Tribunal.

- 12) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed off bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance and thereafter the notification of Insolvency and Bankruptcy Code (Amendment) Act, 2020, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Hon'ble Supreme Court had, in the matter titled 'Manish Kumar V. Union of India & Anr.' and other tagged matters vide its judgment dated 19 January 2021, upheld the constitutional validity of Insolvency and Bankruptcy Code (Amendment) Act, 2020. As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code, however, now the homebuyers must meet the minimum thresholds. Based on the judgment of the Hon'ble Supreme Court, all the matters pending at NCLT, which does not meet requirements of the Code have been adjourned sine die. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Company matters pending before NCLT. Further, in the month of May 2021, 62 allottees of project "Imperial Garden" (580 residential units + 103 EWS units) had approached NCLT. The petition has been filed post offer of possession. Out of 62 allottees, some allottees have already received possession and executed conveyance deeds. Moreover, lately the view of the NCLT/NCLAT is CIRP should be Project based and be confined to the subject Project only, which in present case is a completed project. We have already filed a maintainability application before NCLT to challenge the very maintainability of this application, which is pending to be heard, although based on the recent developments and legal advice received, no material liability should devolve in respect of matters pending before NCLT.
- 13) National Anti-Profiteering Authority ('NAA') passed orders alleging that the Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Company has already passed benefit of Rs. 75.11 million and Rs 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however this fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Company. Subsequently, the Company has filed writ petition against this said order before the Hon'ble High Court and is hopeful of a favorable outcome based on the legal advice.
- 14) On 15 April 2022, MGF Developments Limited, Mr. Shravan Gupta and Ms. Shilpa Gupta have filed a petition under Sections 59, 241, 242 along with Section 213 read with 210 and other applicable provisions of Companies Act, 2013, before NCLT, New Delhi, seeking relief against the Company and certain other parties, alleging oppression and mismanagement by Emaar Properties PJSC, its associates and group companies. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised in the petition are untenable and contrary to the agreements. Accordingly, in management's assessment, no adjustment is required to be made in these standalone financial results.

- 7. In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its joint ventures, are responsible for assessing the ability of the Group and of its joint ventures, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the respective Board of Directors/management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Statement

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 10. As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls;

Notes:

- a. Due dates disclosed above are after considering extensions granted by the debenture holders.
- b. The NCDs are secured by way of charge on the following:
 - Non-agricultural freehold land admeasuring 397.28 square meters forming part of the land parcel located at Mauje Maharajpura of Kadi Taluka, Ahmedabad, Gujarat; and
 - All the collection accounts, distribution accounts, receivables and any amount to be deposited in these accounts with respect to the 'Project Emerald Hills Extension', a township project on 95.25 acres in Sector 62 and 66, Gurgaon, and 'Project Marbella' on 109.069 acres in Sector 65 and 66, Gurgaon being developed by the Holding Company, including first and exclusive mortgage by way of deposit of title deeds of such land parcels owned by the land-owning subsidiary companies.
- c. The Holding Company is maintaining security cover of more than one hundred percent in respect of these NCDs.
- d. The above-mentioned face value of Rs. 1,000,000 was before demerger. Pursuant to the scheme of arrangement (demerger) between the Holding Company, MGF Developments Limited (MGF) and their respective shareholders and creditors which has been approved by the National Company Law Tribunal (NCLT) vide its order dated 16 July 2018, 30.79% of the face value of Rs. 1,000,000 of each debenture (i.e., Rs 307,876 per debenture) has been demerged and transferred to MGF Developments Limited ("MGF NCDs"). Accordingly, the face value of debentures with Emaar India Limited was reduced to Rs. 692,124 per debenture ("Emaar NCDs").
- e. Subsequent to the year end, on 10 May 2022, the Holding Company has repaid the outstanding principal, interest and redemption premium on Emaar NCDs and liabilities towards such face value of NCDs stands repaid. MGF NCDs are still outstanding to be repaid.
- f. CARE Ratings Limited vide its letter dated 19 May 2022 has informed that since Emaar India Limited has repaid the Emaar NCDs and balance MGF NCDs were already transferred to MGF Developments Limited pursuant to the demerger scheme approved by NCLT, the rating for aforesaid debentures stands withdrawn with immediate effect.
- 5) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Holding Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to NCLT to direct MGF Group to compensate the Holding Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Holding Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are currently sub-judice, any impact of the same on the consolidated financial results is not ascertainable at this stage. The auditors have expressed qualification on the same.
- 6) One of the subsidiary company, Emaar MGF Construction Private Limited (the "Subsidiary" or "EMCPL") is under following litigations/disputes in relation to the Commonwealth Games Village Project 2010:
 - Delhi Development Authority (DDA) under Project Development Agreement (PDA) for the development and construction of the project, whereby EMCPL has raised claims over DDA aggregating to Rs. 14,182.38 million (31 March 2021: Rs. 14,182.38 million), against which DDA has raised counter claims aggregating to Rs. 14,460.44 million (31 March 2021: Rs. 14,460.44 million) on EMCPL alleging that EMCPL had not been able to achieve the timelines as per the terms of PDA. DDA is also alleging extra usage of Floor Area Ratio (FAR) by EMCPL. DDA invoked the performance Bank Guarantee (BG) of Rs. 1,830.00 million on account of Liquidated Damages (LD) and sealed certain usold units (inventory) of the project amounting to Rs. 489.73

ED AC

million (31 March 2021: Rs. 489.73 million), which is being contested by the said subsidiary company. Pending final decision on the dispute, High court allowed DDA to keep Rs. 900.00 million and deposit balance Rs. 930.00 million with the Court. The High court has also referred the matter to Arbitral Tribunal. The matter is pending with the Arbitral Tribunal; and

M/s Ahluwalia Contracts (India) Limited, contractor appointed for the construction of the project, wherein claims by the contractor and counter claims by EMCPL aggregating to Rs. 5,280.00 million (including interest) (31 March 2021: Rs. 5,280.00 million) and Rs. 11,702.55 million (31 March 2021: Rs. 11,702.55 million) respectively are pending for decision with the arbitration tribunal.

Based on the legal advice received and internal assessments, management believes that the allegations/matters raised above are untenable and contrary to the factual position. Accordingly, no provision for LD, and other claims by DDA and Ahluwalia Contracts (India) Limited) has been made in these consolidated financial results. The auditors have expressed an emphasis of matter on the same.

- 7) The Holding Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Holding Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Holding Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Holding Company, its former Managing Director and certain officers of the Holding Company. Under the said matter, the Holding Company has also received an attachment order of its certain properties from Enforcement Directorate. The Holding Company has assets and liabilities of Rs. 4,280.48 million (31 March 2021 - Rs. 4,125.92 million) and Rs. 1.434.96 million (31 March 2021 - Rs. 2.235.43 million) respectively. The matters mentioned herein are pending with judicial authorities at various levels. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position. The auditors have expressed an emphasis of matter on the same.
- 8) The Covid-19 pandemic has severely impacted the businesses and economic activities around the world including India. Due to restrictions announced by the Government in certain areas, the Group's operations were impacted. While the business operations have resumed, the recent rising cases of Omicron variant of Covid-19 in India and various states imposing COVID-related restrictions, business activity may get impacted and expected to return to normalcy in due course of time. Considering the unprecedented and ever evolving situation, the Group has made assessment of its liquidity position, including recoverability of assets at balance sheet date. On the basis of the current assessment and estimates, the Group does not see risk of recoverability of its assets and accordingly no material adjustment is required in these consolidated financial results. However, given the uncertainties associated with nature, condition and duration of Covid-19 pandemic, the impact may be different from that as estimated as at the date of approval of these consolidated financial results and the management will continue to closely monitor the changes to future economic conditions. The auditors have expressed an emphasis of matter on the same.
- 9) As at 31 March 2022, the Company has long-term borrowings (including debentures) of Rs. 22,641.77 million which are due for repayment in the next one year. However, on 10 May 2022, Rs. 17,513.45 million has already been repaid towards outstanding non-convertible debentures (refer note 4 above). Given the operating performance of the Company in the current year and basis the business plans (including a substantial repayment of non-convertible debentures subsequent to the year- end), the Company will be able to meet its financial obligations in the next one year. The management has also considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these standalone financial results have been prepared on a going concern basis.
- 10) The National Company Law Tribunal (NCLT) vide its order dated 16 July 2018 had approved the scheme of arrangement (Demerger) between the Holding Company and MGF Developments Limited (MGF) and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the

Holding Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ('Mediator'), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Holding Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce ('ICC'), London, as referred in Note No. (11) below. The Holding Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.

11) The Holding Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties had entered into certain indemnity agreement(s), which entitled the Holding Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Holding Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Holding Company or its land-owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Holding Company had raised various claims, which MGF had failed to settle. In view of the same, the Holding Company has enforced some of such indemnity claims.

During the previous year, MGF has disputed indemnity claims/enforcement and filed the Request for Arbitration ('RFA') on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, also requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal was constituted and on 21 April 2020, MGF also filed an Application for Temporary Restraining Order & Interim Measures ('TRO') before the Arbitral Tribunal against the Holding Company's unilateral settlement of various indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal dismissed MGFs TRO application and ordered that the Holding Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Holding Company does so, in case of breach of said indemnity agreements. The Arbitral Tribunal further confirmed that, not only the Holding Company may unilaterally settle indemnity claims, but also confirmed that there should be no restraint on alienation of the development rights in those assets. Thereafter, under the ongoing arbitration proceedings, the matters are currently sub-judice before the Arbitral Tribunal.

12) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed off bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28th December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance and thereafter the notification of Insolvency and Bankruptcy Code (Amendment) Act, 2020, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Hon'ble Supreme Court had, in the matter titled 'Manish Kumar V. Union of India & Anr.' and other tagged matters vide its judgment dated 19th January 2021, upheld the constitutional validity of Insolvency and Bankruptcy Code (Amendment) Act, 2020. As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code, however, now the homebuyers must meet the minimum thresholds. Based on the judgment of the Hon'ble Supreme Court, all the matters pending at NCLT, which does not meet requirements of the Code have been adjourned sine die. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Holding Company matters pending before NCLT. Further, in the month of May 2021, 62 allottees of project "Imperial Garden" (580 residential units + 103 EWS units) had approached NCLT. The petition has been filed post offer of possession. Out of 62 allottees, some allottees have already received possession and executed conveyance deeds. Moreover, lately the view of the NCLT/NCLAT is CIRP should be Project based and be confined to the subject Project only, which in present case is a completed project. We have already filed a maintainability application before NCLT to challenge the very maintainability of this application, which is pending to be heard, although based on the recent developments and legal advice received, no material liability should devolve in respect of matters pending before NCLT.

- 13) National Anti-Profiteering Authority ('NAA') passed orders alleging that the Holding Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Holding Company has already passed benefit of Rs. 75.11 million and Rs 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however this fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Holding Company. Subsequently, the Holding Company has filed writ petition against this said order before the Hon'ble High Court and is hopeful of a favorable outcome based on the legal advice.
- 14) On 15 April 2022, MGF Developments Limited, Mr. Shravan Gupta and Ms. Shilpa Gupta have filed a petition under Sections 59, 241, 242 along with Section 213 read with 210 and other applicable provisions of Companies Act, 2013, before NCLT, New Delhi, seeking relief against the Holding Company and certain other parties, alleging oppression and mismanagement by Emaar Properties PJSC, its associates and group companies. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised in the petition are untenable and contrary to the agreements. Accordingly, in management's assessment, no adjustment is required to be made in these consolidated financial results.
- 15) The consolidated financial results are prepared in accordance with the recognition and measurement principles of Indian Accounting Standards as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified in Section 133 of the Companies Act, 2013.
- 16) Previous period/year numbers have been regrouped/reclassified wherever considered necessary.
